Sirius Odyssey BioSignatures Selection

How to use these cards:

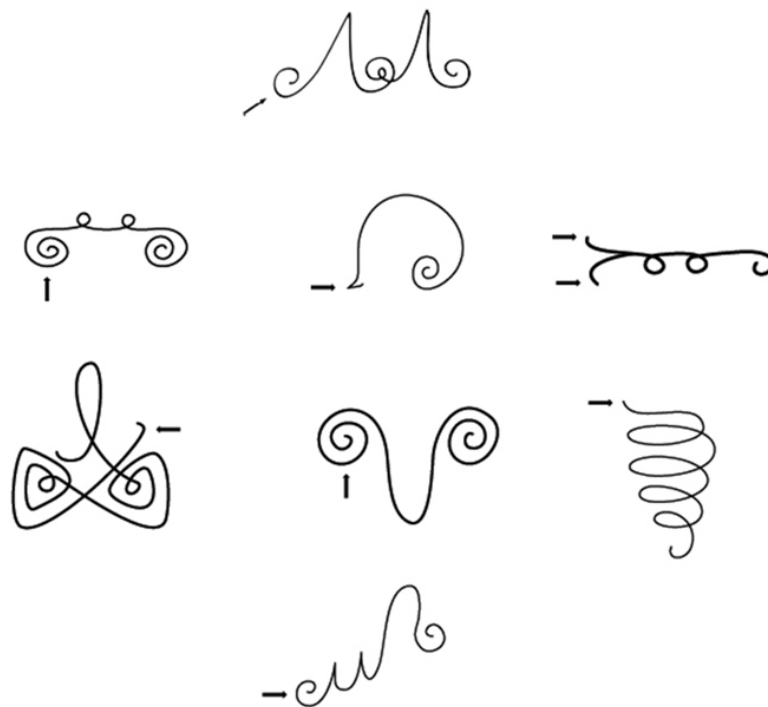

While listening to the Sirius Odyssey, use your whole body to flow through each BioSignature in your chosen set. It's important to start each BioSignature from the correct starting point indicated by the arrow. The Sirius Odyssey will help provide overall energetic balance in the space and the BioSignatures will help balance specific organ functions related to the chosen set. For best results you should do this once daily. *Don't forget to have fun!*
