REGISTRATION FORM - PAGE TWO

IMPORTANT, PLEASE READ BEFORE SIGNING.

1. **DISCLAIMER.** BioGeometry is not a form of medical diagnosis or treatment, but a long-term environmental support for the body's energy system and all types of treatment.
2. **LANGUAGE.** Course will be in English, so student needs to understand and communicate adequately in the language.
3. **STUDENT AGREEMENT.** All BioGeometry Foundation Trainings require the compulsory signing of the Student's Agreement (attached) which is aimed at protecting BioGeometry against misuse or unethical practices that could harm the standing of BioGeometry or its practitioners. Feel free to email us if you have any questions and we will gladly clarify.
4. **A CERTIFICATE** will be issued to the student at the successful conclusion of the course, based on having participated in the course and its live sessions, and successfully completed the five assignments at the end of the training and the instructor having ascertained your competence in the techniques.
5. **LIVE SESSIONS.** These are as crucial as the pre-recorded lessons, hence you must participate in Live Sessions. See the schedule on the brochure, if you have any problem with dates or times discuss this beforehand.
6. **CAMERA.** As the instructor needs to assess performance of the techniques, the student must have their camera open during the live online sessions. This is also to help generate a sense of classroom and group.
7. **TECHNICAL SET-UP.** It is the student's responsibility to ensure they have a working computer or device on which they can see and hear videos, as well as a an internet line capable of supporting live sessions.
8. **CONTINUITY OF SESSIONS.** Circumstances happen. Should any technical issues interrupt or halt the live sessions from our end, naturally we will do our utmost to resume or if necessary postpone the session.
9. **STUDENT SATISFACTION.** Your satisfaction is important for us, if there is anything you are not happy with please communicate about it and we will do our best to resolve it. Up to Lesson 4 you have the option of cancelling your course participation if you do not like the course, and receive a full refund of the payment less the cost of the items and their shipping. This does not apply to terminating the course to attend another training. Refunds are not possible after this point.
10. **SCHEDULE.** While the aim is to adhere to the published schedule, the instructor reserves the right to alter the schedule according to any imposing circumstances. We will always do our best to find solutions that suit everyone but this is not always possible.
11. **CANCELLATIONS.** In the unlikely event of the course being cancelled from our end, any course fees paid will be transferable to another course. Sorry we cannot issue refunds should a participant decide to terminate the training before it is completed, except in line with Clause 9 above.
12. **LIABILITY.** The instructor and the BioGeometry organisation are not responsible or liable for any damage, accident, loss, or injury incurred in the course of participating in the training, including computer /mobile devices or software.
13. **ETHICS.** The student is registering for this course on the strict understanding that any log-in access or course material are not to be shared with third parties in digital, paper, photographic or other form. Any breach of these conditions will automatically result in the student forfeiting the course and revoking of any certificates issued. No part of this course material may be used in web pages, publications, groups, articles, social media pr other courses, etc without the prior written consent of the instructor or BioGeometry Energy Systems Ltd. While we pursue infringements, we prefer to trust in the true spirit of BioGeometry and its community which cherishes the values of ethics and integrity.

I the undersigned affirm that I have read and understood the above conditions and agree to abide by them.
