**IMPORTANT, PLEASE READ BEFORE SIGNING.**

1. **DISCLAIMER.** *BioGeometry is not a form of medical diagnosis or treatment, but a long-term environmental support for the body's energy system and all types of treatment.*
2. **LANGUAGE.** *Course will be in English, so the student needs to be able to understand and communicate adequately in the language*
3. **A CERTIFICATE** *will be issued to the student at the successful conclusion of the course, based on having participated in the course and its live sessions, and successfully completed the five assignments at the end of the training and the instructor having ascertained your competence in the techniques.*
5. **LIVE SESSIONS.** *These are as crucial as the pre-recorded lessons are, hence the student must attend and participate in Live Sessions. Please read the schedule on the brochure, if you have any problem with dates or times discuss this beforehand. One on one sessions are possible but at additional cost.*
6. **CAMERA.** *As the instructor needs to assess performance of the techniques, the student must have their camera open during the live online sessions. This is also to help generate a sense of classroom and group.*
7. **TECHNICAL SET-UP.** *It is the student's responsibility to ensure they have a working computer or device on which they can see and hear videos, as well as an internet line capable of supporting live sessions.*
8. **CONTINUITY OF SESSIONS.** *Circumstances happen, and should there be any technical problems which interrupt or halt the live sessions from our end, naturally we will do our utmost to resume or if necessary postpone the session.*
9. **STUDENT SATISFACTION.** *Your satisfaction is important for us. If there is anything you are not happy with please communicate with the instructor about it, and we will naturally do our best to resolve it. You have the option of cancelling your course participation up to Lesson 4 and receive a full refund of the course payment less the cost of the items and their shipping. Refunds are not possible after this point.*
10. **CANCELLATIONS.** *In the highly unlikely event of the course being cancelled from our end, any course fees paid will be transferable to another course.*
11. **SCHEDULE.** *While the aim is to adhere to the published schedule, the lecturer reserves the right to alter the scheduling according to any imposing circumstances. We will always do our best to find solutions that suit everybody but this is not always possible.*
12. **LIABILITY.** *The instructor or the BioGeometry organisation are not responsible or liable for any damage, accident, loss, or injury incurred in the course of participating in the training, including the use of computer /mobile devices and software.*
13. **ETHICS.** *The student is registering for this course on the strict understanding that course passwords and log-in access are not to be shared with third parties, and course material is not to be transmitted to other persons in digital, paper, photographic or other form. Any breach of these conditions will automatically result in the student forfeiting the course and the revoking of any certificates issued. No part of this training or the course material may be used in web pages, publications, articles, other courses, etc without the prior written consent of the lecturer and/or BioGeometry Energy Systems Ltd. We take all necessary action against infringements including legal; however we prefer to trust that in the true spirit of BioGeometry and its community, our students cherish the values of ethics and integrity.*

I the undersigned affirm that I have read and understood the above conditions and agree to abide by them.
